

HANOVER GATE PLAYGROUND IN REGENTS PARK

May 3, 2010

The Hanover Gate playground, located on the west side of [Regents Park](#), has just recently been renovated and now includes two different play areas: a traditional playground for younger children and a new timber tree-house section for older, more adventurous kids. It's also a great little spot to spend a sunny afternoon because it's right next to the boating lakes and boat house where you can rent pedal boats (both family-sized and single) and float around, taking in the beauty of the park. (The children's boating pond is only open on the weekends and is meant for kids aged 5 and up - they have to be able to reach the pedals.) There's also a little restaurant in the Boat House with outdoor seating facing the lake. It's a beautiful setting, especially when the weather is cooperating.

CONTACT DETAILS:

Hanover Gate Playground:

Hanover Gate, Outer Circle
Regents Park
London
NW1 4RL

Boats available April-Sept, every day from 10.30am, closing time varies from month to month, weather permitting. Kid's mini-boats available on weekends. Cafe open 364 days a year.
