

## SWEET WILLIAM OPENS IN MANHATTAN!

November 4, 2010

One of my very favorite children's shops from Brooklyn recently opened in Nolita last month - dangerously close to where I live (uh oh). I have always admired [Sweet William](#) as it is a store that gets it just right. The space is adorable and the clothes are incredibly well edited, wearable and unique. I assure you, you will want it all. I am especially drawn to the store as a great source for newborn gifts - the teeny tiny outfits from the likes of [Ketiketa](#) and [Tuss](#) are criminal they are so cute. This is definitely a shop to visit.
